MATERIAL SAFETY DATA SHEET

| | | | |
|-------------|------------------------------|-------------|---------|
| PAGE 1 OF 3 | | ISSUE NO.: | 3 |
| MSDS NO.: | PR004 | ISSUE DATE: | 1/10/99 |
| PRODUCT: | X-RAY CHEMICAL STAIN REMOVER | | |

1. Identification of the Preparation and of the Company

1.1 Identification of the Preparation

X-ray Chemical Stain Remover

1.2 Company Identification

Panadent Limited
149 Sevenoaks Way, Orpington Kent

1.3 Emergency Telephone Number

01689 88 17 88 (daytime)

2. Composition/Information on Ingredients

2.1 Chemical Name

Thiourea in aqueous solution

3. Hazards Identification

Eyes: Possible transient stinging
Skin: regular contact may cause soreness or, rarely, an allergic rash.
Inhalation: Not applicable
Ingestion: The ingredient has been found to cause cancer in laboratory animals. Repeated ingestion may cause depression of the bone marrow.

4. First Aid Measures

Eyes: Irrigate with water. If soreness persists seek medical advice.
Skin: Wash with soap and water.
Ingestion: Large quantities may cause spontaneous vomiting. Give plenty of water to drink. Milk may be helpful. Seek medical advice.

5. Fire Fighting

Non flammable

E: sales@w9.com.au

NATIONAL POISONS INFORMATION 13 11 26

6. Accidental Release Measure

Wash away with plenty of water.

NATIONAL POISONS INFORMATION 13 11 26

7. Handling and Storage

7.1 Recommended Storage Conditions

Ambient temperature.

7.2 Recommended Handling Precautions

No special precautions necessary although wearing gloves is advisable.

8. Exposure Controls/Personal Protection

Wear rubber gloves. Safety glasses are advisable if splashing is likely to occur.

9. Physical and Chemical Properties

Appearance: Mobile Fluid - green/blue with possible presence of yellow crystals

Odour: Pine

pH (concentrate) <1

Boiling point/range: Not applicable

Melting point/range: Not applicable

Flash point: Not applicable

Flammability: Not flammable

Autoflammability: Not applicable

Explosive Properties: Not applicable

Oxidising Properties: Not applicable

Vapour pressure: No available data

Relative density: 1.1

Solubility - Water: Completely soluble

10. Stability and Reactivity

None in use

NATIONAL POISONS INFORMATION 13 11 26

11. Toxicological Information

LD50 of ingredient is 125mg/Kg oral, rat

NATIONAL POISONS INFORMATION 13 11 26

Page 3 of 3

12. Ecological Information

Biodegradable

13. Disposal Information

Waste Code - since quantities will be small, wash down drain with plenty of water

14. Transport Information

N/A

15. Regulatory Information

To be used on equipment/clothing only

16. Other Information

The information herein is based on data considered to be accurate as of the date of preparation of the Material Safety Data Sheet. However, no warranty or representation, expressed or implied, is made as to the accuracy or completeness of the foregoing data and safety information. The use assumes all liability for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices or from any hazards inherent in the nature of the product.
